## CON IL SISTEMA MODULARE OTTENERE LARGHEZZE "FUORI STANDARD" È SEMPLICISSIMO.

ego® è un sistema modulare che ti permette di realizzare rapidamente la soluzione più adatta alle tue esigenze.

Combinando gli elementi della PENSILINA BASE e dei MODULI AGGIUNTIVI disponibili in varie lunghezze, potrai costruire con estrema facilità la tua pensilina nella misura desiderata.

Con i FLAP laterali opzionali, puoi inoltre prolungare e rifinire la copertura della pensilina, un sistema funzionale per rendere unico il tuo ingresso.

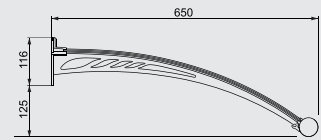

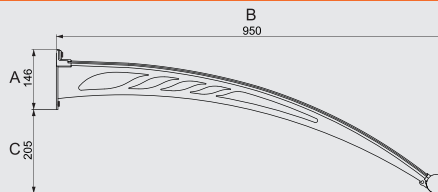

## OBTAINING "CUSTOM MEASURES" WITH OUR MODULAR SYSTEM IS REALLY EASY

ego® is a modular system that allows to quickly realize solutions that fit best to your needs.

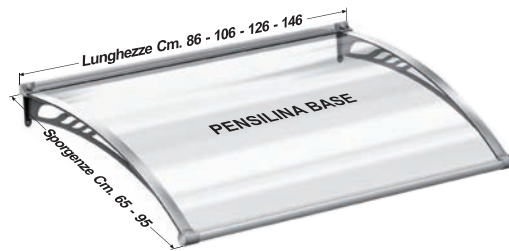

Combining the elements of the BASIC CANOPY and the ADDITIONAL MODULES, available in various lengths, you can build your canopy of the length you want in an extremely easy way.

With the optional side FLAPS, you can extend and refine your canopy, a functional and original system that makes your main door unique.

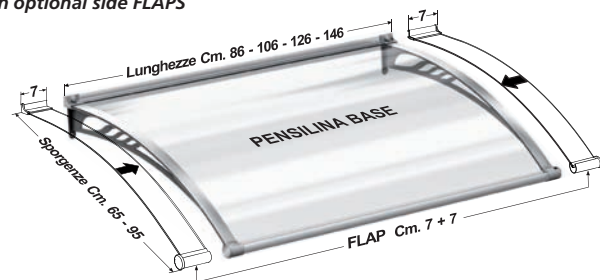

### Ingombri - Measures
